Vacancy description:

You will start in the Dutch team as an Intern in Business Development. You will work to acquire new projects in varied sectors:

*An exploration stage: determination of relevant markets, database creation, direct marketing (calling, emailing, events) monitoring and weekly reporting.

*A consultancy stage with project leaders: participation in meetings, understanding of customer needs and commercial proposal, graphic research with the creative team.

Beyond this primary mission of development, you will be prompted with our content manager based in Brussels to contribute to 87seconds' new communication strategy.

Why join?

We're a team of more than 30 multilingual employees in Brussels, Paris, Lyon and Geneva, where the average age is 26. Teamwork, across borders, is our key to success.

We offer a dynamic and growing start-up environment that encourages and facilitates learning and innovation.

We're constantly thinking of new ways to innovate and optimize ourselves while growing fast. We move forward and expand internationally, giving great responsibilities to our team members early on.

Benefits:

You will work closely together with and be part of our international Business Development team, under supervision of the Country Manager Netherlands.

There will be no allowance provided. You will receive a WeWork membership and other benefits.

Additional candidate requirements:

Bachelor or Master degree in Marketing / Communication / Management / Business

Good interpersonal skills and curiosity

- Fluent in Dutch and English to communicate with our team
- Writing skills and web marketing
- You are able to choose the right words to convince and sell all types of actors (startup, SME, MNE, institution) and are able to quickly understand the business challenges for a sector.
- You have an entrepreneurial spirit, you are pro-active and autonomous
- You are passionate by the world of communication and digital marketing

No need for writing a motivation letter, just send us your cv and 3 reasons why you are the perfect candidate for this job. So what are you waiting for?

About us:
